# ROUND-UPS.

An Even Distribution to the Market Centers Would Help Cattle Prices.

Arguments in Favor of the Angera Goat in im rics-Eleoded Cattle for Mexico-The Quarantine Against Texas-Notes.

The business of the St. Louis national stock-The pushess of the considerably this year, over un of last, and 1890 bids fair to be the banne year of these yards since they were established, reints and sales. The market there ed strength with the receipts and the realized have been satisfactory to shipcattlemen would only consider the at markets from the proper standpoint. egid so govern their consignments as to ate effect on prices. It has been to and that cattle were rushed to the his has been (as every cattle o overstock or glut the Chistarve the others, causing a and the desertion of the other ers because the cattle wanted by be had at the latter. If shippers his, shipping—not to where the but to where they are needed, it long until there would be in this itle markets, the one equal to the

and the demand will be inducements to ship to

Why They Should Receive More Atention in This Country.

Arear Angora goats in this country, all sued in the manufacture of mousir and these goods are very fashions.

The Angora or mohair goat can be anywhere that sheep can. Its naive anywhere the sheep can. Its naive anywhere the sheep can be anywhere the sheep can be anywhere the sheep can. Its naive anywhere the sheep can be anywhere the sheep can be anywhere the sheep can. Its naive anywhere the sheep can be anywhere the sheep can be anywhere the sheep can. Its naive anywhere the sheep can be anywhere the sheep can be anywhere the sheep can. Its naive anywhere the sheep can be anywhere the sheep ca ear Angora goats in this co of the Southern states; still, the en-centricit with perfect success in New On the Pacific coast there are large these animals. They are more easily sneep, and dogs will not disturb them.

ed mohair fleece weighs about gora is extremely hardy, and is beare than the sheep. It will eat ag short of the traditional rubber an, which furnish the delica old song. For clearing costores that have become foul with sceds these little creatures are inval ey are very inquisitive and great his likely that they will prove esfirshle for the Southern states, owing ter pasture range in the sheep raising ,196 pounds of mohair wool was

mind in the Union. This was all used up by the manufacturers, and 1,720,332 pounds more, which was imported. Here is certainly one marred not yet overstocked.

men will not place their brands and maris either upon record or publish them in a poper, but they will make a general round-up times too often in the spring, makas heliere they take their cattle home, when fart their cattle have no home. They begin

With the improvements in cattle transportsties the palace cattle cars are having racks and fel and watered while being transported withof being unloaded, which have been regarde by shippers, and have not only afted to the counfort of the animals, but to the at cattle carried to these improved cars market in much better condition, with kage, and without being bruised and fererish by bunger and thirst. It was woof before the late special committee ap-nied by the United States senate to investi-the catile business that the time gained by ling and watering animals on these cars is 49 cml over the time consumed on the same in the ordinary stock care who was the the ordinary stock cars when cattle are idut stock yards for watering and feed-

Unjust Quarantine. From no part of the country can there be heard thything of the existence of the so-called Texas fiver among cattle. The entire country appears is befree from it, yet the quarantine laws inhim Terms cattle, Indian territory cattle and Aramas cattle from going to Kanasa, Missouri, leva, Nebrasia and other states that ...ould, or this unjust and discriminating aw large numbers of feeders from tions. There never was a of Texas and the Indian tier then they now are, and we quarantine against these  $\tau$  a discrimination that is sting conditions or the well

Bring unable to purchase Texas, Indian or iskassas cattle on account of the quarantine patietisms the farmers of Kansas, Missouri, less and Nebraska are said to be purchasing less annules of New Mexican cattle to finish an feed. Bleeded Cattle for Mexico.

There is undoubtedly an increasing interest in fooded cattle of different strains in old Mex-, and every now and then can be and every now and then can be to to bunches of fine stock pass-brengh en route for that country, borthom hered seem to be the popular for beef with the Mexicans, and housely the popular for beef with the Mexicans, and find the popular for beef with the Mexicans, and find the been shipped from the United as a different sections of that country duries that welve months. The Mexicans are his improving their beef cattle, but they as introducing large numbers of the best cens from the United States. This week Bros. of this city sold to Mr. M. Manra of alma a car load of full blood and high derivers and Devon cows, and they report

Notes and Personals. Paix Bres sold to Tom Peters one full blood energows good figures.

Devon cows, and they report or this class of cattle by Mex-

in Bestick, the well-known breeder of dedherses, was up from Cieburne yester-

Early maturity is an item with hogo. the on the big pucking house at the stock-is progressing well. Next fall there will are market at Fort Worth for good, fat

purchased at Kansas City last week influted as follows: Armour, 8916; 305; Dold & Son, 302; Swift, 2852; Libby, et. 1516; James, 636; Michaels, 859; 450; P. D. Armour, 636; Michaels, 859;

p. D. Armour, 192; Michaels, 879; Spany, 1225; Neis Morris, 1877. as of government for the estilemen to a Indian Territory will be obeyed, and truck there will be thrown on the mar-old. Many of the men in the cattle.

business will get out and stay out, and there is no doubt that this action will cut down to some extent the supply of beel cattle in the country for a time. The result will be in the long rul beneficial to those who hold on to their cattle.

The only case of a triple hirth in the history of the equine family occurred at Marshall, Mo., May 20. A fine brood mare belouging to William Barnes of that city dropped three colts. They are small, but all are alive and doing nicely, being perfectly formed and as lively as crickets.

The Aster cattle command. are small, but an are save and doing nicely, being perfectly formed and as lively as crickets.

The Astec cattle company will ship 10,000 steers from Flagstaff this summer, The Felix ranch company has sold its steers, could have sold them twice. Col. Mothersill sold the Detroit and Rio Grand company's at good prices. Howell & Bead of San Marcial, have sold. The southern division of the Santa Fe road has orders in now for 1100 cattle cars for immediate use. The Robert outile, the old Chisum brand, has sold 1500 steers at top prices for delivery at Clayton. The buyers are coming just right this year. The big Southern country will be unloaded before the northern half of the territory gets ready to ship.—[New Mexico Stock Grower.

## Must Vacate the Srtip.

ARRANSAS CITY, KAN., June 5 .- Col. G. W Parker, special Indian agent for the commis sioner of Indian affairs, received a dispatch to atomer of indian allairs, received a dispatch to-day from headquarters ordering him to notify cattlemen who are grazing cattle on the Chero-kee Strip in defiance of the president's procla-mation of February 17, 1890, to remove the herds at once. The penalty for refusal to obey the notification is understood to be removal of herds by United States military and their ultimate confiscation.

## PARIS.

District Conference of the M. E. Church South Who Will Succeed Hon- H. D. McDonald-

Special to the Gazette. Pagis, Tex., June 5 .- The Paris district con ference of the M. E. church South met at Lamar avenue church this morning with Bishop Joseph S. Key presiding. There are a large number of delegates in attendance.

soseph S. Lay presiding. There are a large number of delegates in attendance. The question as to who will succeed Hon. H. D. McDonaid as state senator from the Thirty-first district is becoming interesting. Fannin, Red River and Lamar counties are in the same judicial and sematorial districts, and as Pannin and Lamar have find the judges, senators and district attorneys for years Red River now claims the senator and the prevailing sentiment seems to be that it shall have it.
